

## Ad hoc information

06. November 2007

### **Georg von Opel steps down from the board of directors of Valartis Group AG**

Effective today, Georg von Opel retires from his position as member of the board of directors of Valartis Group AG. The board of directors takes note of his resignation and thanks him for his work during the past two years.

Georg von Opel was elected to the board of directors of Valartis Group AG after the merger of the former OZ with the MCT Group in December 2005. Since then he accompanied the group in the development of its business activities in his role as member of the board.
